

## Snoqualmie Valley Record

4 March at 12:41 · 🌐

Seahawks mascot, Blitz, descended on the Mt. Si Senior Center today, in support of the Snoqualmie Valley Transportation shuttle.

Rumors quickly flew that Blitz loved the service and might give up flying through Snoqualmie Valley altogether.

"I think he wanted a job as a driver," said Amy Biggs, SVT Director, "but while we are hiring, unfortunately his feet were too big to operate the gas and brake pedals."

Snoqualmie Valley Transportation is growing, and wants to hear from the community about where new routes are needed. Two community meetings are planned, 6:30 to 7:30 p.m. Monday, March 7 at Cascade Covenant Church in North Bend, and 6:30 to 7:30 p.m. Monday, March 14 at Mount Si Senior Center.
