SVT Summer Freedom Program

King County Councilmember Kathy Lambert from King County · 30 May

Every summer after school gets out, getting kids to and from their different activities can become quite the challenge! Thankfully, Snoqualmie Valley Transportation (SVT) has created a solution for families who live in the Snoqualmie Valley.

Starting on June 1st, kids between the ages of 10-18 will be able to ride all current SVT routes for free. SVT's "Summer Freedom" program will allow children to get to their jobs and visit friends around the valley all summer until August 31st.
