We are here to help.

SVT is a non-profit Valley bus company, operating 8 – 14 passenger wheelchair-lift and bike rack-equipped buses. We are a program of Mt. Si Senior Center and our services are available to the general public. If you walk, bike or roll, our buses are for you!
It's kind of like a taxi but you have to get reservations in advance so we can get other people on the bus to share the ride. Operates within the overall SVT service area of North Bend, Snoqualmie, Fall City, (parts of Preston), Carnation, Duvall and Monroe. The service is a curb-to-curb service; picking you up at your location and dropping you off at your destination. Some rides require transfers. We recommend you reserve your ride 3-5 business days in advance. There is a service window of one-half hour for your pick-up. This means that the bus will arrive within 15 minutes before or after scheduled time.

- Ages 10+ may ride unaccompanied
- Bicycles, wheelchairs and walkers accommodated.
- 6:00 am to 8:00 pm Monday – Friday for upper valley service (North Bend, Snoqualmie, Fall City, Preston).
- 7:00 AM to 4:00 pm for lower valley service (Carnation, Duvall, Monroe).
- $1.00 fare

**LOOP ROUTES**

The Loop routes are circulator routes. These routes go in one direction in a loop that works its way back to where it started. The routes generally use locations rather than bus stop signs. No reservation is needed for any stop that is on a loop route going to regular location stops. You can also flag down the bus between stops provided there is a safe place for the driver to pull over. Loop routes can deviate from the regular path if you can't get to a loop route regular stop but you must call the office to ask if the route has time to do that for you.
