SVT Delights More Than 1,000 Trick-or-Treaters in North Bend with Haunted Bus

October 24th, 2026:

NORTH BEND, Wash. – Snoqualmie Valley Transportation (SVT) joined our community on Saturday, October 24, 2026, at the North Bend Downtown Foundation's annual Trick-or-Treat Street, welcoming more than 1,000+ smiling visitors to our SVT booths and a haunted SVT bus.

Children of all ages, with parents in tow, turned out in their Halloween costumes for an afternoon of family-friendly fun in downtown North Bend. At the SVT booths, trick-or-treaters grabbed loads of assorted candy and mini-dinosaur toys, while the haunted SVT bus was a popular stop for kiddos brave enough to step aboard.

Trick-or-Treat Street is one of the North Bend Downtown Foundation's signature community events, bringing together local businesses, organizations, and families each fall. SVT thanks the Foundation and its volunteers for organizing a safe, welcoming celebration, and thanks to every family who stopped by to say hello!

About the North Bend Downtown Foundation

The North Bend Downtown Foundation produces community events in downtown North Bend, including the 4th of July Family Fun Parade, Block Party, and Holly Days. Learn more at northbenddowntown.org.

Snoqualmie Valley Transportation (SVT) is a project of the Mt. Si Senior Center, providing affordable shared-ride and fixed-route bus service throughout the Snoqualmie Valley since 2003, with funding support from the Snoqualmie Indian Tribe, King County Metro Transit, and the Washington State Department of Transportation. SVT service is open to all riders aged 10 and older. For routes, schedules, and more information, visit **www.SVTbus.org** or call **425-888-7001**.
